If you have personal computer capabilities or a data processing organization, we encourage your government to work with the computer-readable version of the U.S. Census Bureau's Address List and Address Count List. Computer-readable versions of the lists are available on CD-ROM and are recommended for communities with a thousand or more addresses. *The paper printout of the Address List contains approximately six (6) addresses per page. The Address Count List contains 50 census blocks per page.*

Please indicate your format preference for the 2008 Census Dress Rehearsal LUCA Program Address List and Address Count List products in Section A. **The Census Bureau recommends that you read the 2008 Census Dress Rehearsal LUCA Program Information Brochure and the Census Bureau Confidentiality and Security Guidelines before making your selection.**

Participants have the option of receiving Census Bureau paper maps or a shapefile. *You can make this selection in Section B below.*
